"The Coin Machines Merry-Go-Round"

WHAT ABOUT TAXES?

By Bill Gersh

Just a few issues ago The Cash Box reported that one small community in New Jersey and another equally as small in Minnesota had decided that this was the time to plaster more heavy taxation on coin machines.

This New Jersey community, which has already received a $100 yearly license fee per pinball machine, decided that this should be hiked up to $500 per year. The Minnesota community, which had never before taxed coin operated equipment, believed that this was the time to slap a $120 per year license tax on pinball, as well as a $10 per year tax on juke boxes.

While this was occurring it was extremely interesting to read, in the daily press, that the Committee on Postwar Tax Policy had presented its findings after 16 months of study, before Congress. The Committee recommended that all taxes be instantly lowered so that business could once again be assured of more freedom of action.

It is well known that from the beginning of history, the one important question that has confronted all peoples and all rulers, has been taxes. Taxes build governments and destroy them. Low taxes mean freedom. Likewise, high taxes can mean slavery and even bankruptcy.

It is noteworthy to state here and now that almost from its very first issue The Cash Box has fought (and will continue to fight) for a "National Tax Council". It is sorrowful to state that those coinmen who have never been held in the vise of sudden and severe taxation measures have little feeling for the coinman, many miles distant, who is suddenly caught in a revenue raising tax wave.

Whether there is any link between the fact that the Federal government is being asked to tremendously lower its taxes and that certain communities thruout the country have suddenly come to the decision that this is the time to again soak the coin machine industry, is too involved and much too complicated to answer.

Suffice it to state at this time that the Federal government will be receiving less taxable revenue. In addition, there is expected to be a severe period of unemployment thruout the nation. Regardless of how many jobs reconverted factories can offer, they can never completely take care of the millions of men and women who are returning from the armed forces, plus the millions of workers who are waiting to return to their former jobs.

Therefore, each and every community in the nation seeks largr public works projects. That is also why there is a great drive afoot now to get teen age youngsters back into schools and colleges. That is also why returned service men are being asked to finish their schooling. And why women are also being urged to return to homes, instead of to their former jobs.

It all adds up to the fact that the Federal government, because there is such a demand in almost each and every bill that is being pushed thru Congress, must lower personal taxation as well as business taxes to help bring this country to a freer economy. Somewhere down the line the states, cities and villages will have to raise the differential, so that the servicemen and women, who will return to these communities, will be assured the employment which was, and is, promised them.

What is easier for a politician to attack than this coin operated machines industry? Here there is no "National Tax Council" composed of learned and expert men who can forestall higher taxation. In fact, is there any sort of group that can come to the fore and plead the cause of this business before the tax bugs who are trying to further drain the profits of those who operate the equipment of this industry?

"The Coin Machines Merry-Go-Round"

There is not even as yet in existence a library, or a central office, where coinmen can go to obtain information regarding all the coin machine taxes thruout the country. There is no one place that contains tax information necessary to the good and welfare of the man in this business who may suddenly and desperately require it. There is no one spot where he can obtain tax records, precedents of former tax cases, tax ordinances, or other data which might prove of help to him in allaying greater taxation.

The Cash Box has offered itself and its files as a central location so that all men in this industry can have the use of these when the time for such need arises. As yet only a few have answered this appeal. It is the hope of The Cash Box that all will come to the fore and will help create a tax information center. All coinmen have at their fingertips at this time the tax data relative to their own communities. By sending this information to The Cash Box all in this industry will have one centralized location where they can obtain whatever tax data they want and need in times of stress.

A "National Tax Council" is so desperately needed that to continue to repeat more and still more reasons for this great and urgent necessity actually seems infantile. Here is something that is so vital, that the men in this industry can no longer do without it. And yet it hasn't been formed to benefit the very men of whom it is asked.

The trade must come to the realization that it no longer can hide its head in sand like an ostrich. Politicians everywhere in the country realize that this is an unorganized industry. One industry that cannot hold them back from doing their worst when matters of raising revenue arise. (Friendships count for very little when a politician's career is at stake and especially when the public want results.)

Suddenly, and seemingly from nowhere, there has again arisen demand for higher license fees on coin operated machines. Why, during this period with the war over, with demobilization under way, with all business urging that taxation be removed so that more risk investment will enter industry, should there now again arise the specter of higher taxes for this business?

Simply, because as other industries who have their own powerful lobbies behind them and great organizations to protect them fight lower taxes—someone must make up this lost differential. And what industry is better suited for such increase than the coin machine business?

Here is an industry that sprawls over the entire nation. It has met with great approval from the general public. The words "pin games", "juke boxes", "cigarette machines", "candy venders", "scales", and all other equipment have become as familiar to the young as they have to the old.

This industry, because it is sprawled here and there over the nation, because it isn't joined together in a common cause to protect itself and to nurture and foster its greater growth, has become the easy prey of those politicos who seek the limelight of the front page and who wish to appease the thinking people. These "thinking people" realize that the treasury in their state or city must have money to keep public works projects in action for the benefit of those men and women who will return from the armed forces, as well as for the benefit of all others who will be unemployed.

This industry has as yet devised no method for its self protection in such instances. That very first essential of man, self preservation, is actually neglected by the members of an industry which has grown so great it has captured international attention. There is no one who can point to any organization in this field which could step to the fore for him today were he suddenly to become enmeshed in a severly high tax measure in his community.

There is no "National Tax Council"! There is no "National Tax Council" because the men in this industry have not come to the fore to demand and create it. Few coinmen have been able to convince those whose pocketbooks haven't as yet been affected by severe tax measures that this is the time for the single ounce of prevention to prevent the pound of cure.

It is up to the intelligent members of this industry to come together and create a "National Tax Council". It is up to only a hundred or so such coinmen to offer $500 to start such a council for this industry. It is up to these far seeing men to create the nucleus for a "National Tax Council" which will prove to be the greatest money saver in the history of this industry.

IT CAN BE DONE!!

MUNVES JOINS SUGERMAN AND GREEN

NEW YORK — Before leaving the city for Chicago, DeWitt (Doc) Eaton, made the staggering announcement that Mike Munves, one of the best known and best loved coinmen in the country, had joined forces with Barney (Shugy) Sugerman and Abe Green, and would distribute the A. M. I. music machines in the entire states of New York and Connecticut.

Mike Munves, one of the pioneers of the coin machines business, goes way back to the days when coin machines were competing with the nickelodians. He established the Mike Munves Co. in 1912, and has an unbroken record of 33 years service to coinmen. During these many years, Munves has accumulated a number of friends in the business that probably includes every known operator, jobber and distributor thruout the breadth of the land.

"I'm leaving for Chicago" Eaton shouted for all to hear, "tremendously excited and pleased that I was fortunate enough to bring Sugerman and Green together with Mike Munves. As you know, I've spent considerable time in the business thruout the East, and I've never run across anybody that ever had anything to say about Mike that wasn't complimentary. As a matter of fact, some years ago I was talking with an Arcade Owner who had quite a substantial arcade running on the boardwalk of one of New Jersey's beaches. He told me that Munves had sold him the equipment and had permitted him to pay for it as he went along. And this was in the days of "cash with", but Mike banked on this party's good business ability to make good. Today, many of these people are music operators, and it is beyond question that Mike will enjoy a great deal of prosperity with the A.M.I. line."

Sugerman could hardly be held down in his enthusiasm. "I've made plenty of deals in my time," he claimed, "but I consider this consolidation a master move on the part of "Doc" Eaton, who first conceived the possibilities of the merger. Ever since I've been in the coin machines business, I've been hearing of the wonderful things Mike has been doing. After knowing him these past years, my respect for his integrity and knowledge of the business, and the people in it, knows no limits. And now he's an associate of mine. There'll be no limit to the job we will do!"

Abe Green, who seldom says more than a few words, echoed the sentiments with one comment "We're all set. Just send us those machines".

Mike Munves, with his usual modesty, kept smiling in embarrassment as these verbal bouquets kept bouncing all around him, but managed to break in with a short statement. "It's a tremendous feeling to have so many nice things said about me, but in all seriousness the main objective of the consolidation is to present the A.M.I. machines to the operator. I'll take care of the operators in the same manner in which I always have. I'll see that they get the finest service and treatment possible, and as is my custom, I'll always be here to listen to their problems and offer my best advice and help. I've spent over 30 years building up my reputation, and shall never make one step in any direction that will reflect against it. In joining up with 'Shugy' and Abe I believe I've made the finest connection in all my years of doing business. It certainly looks like we're going to be one of the most important factors in the music field."

Leaving the conference, it was announced that temporary headquarters will be set up at 593-595 Tenth Avenue. Permanent offices and showrooms will be opened shortly in a building that is being constructed, which will give them about 20,000 square feet of space. The new combine claim these new quarters will feature the most beautiful showrooms ever conceived in the industry.

POST OFFICE WANTS INFO ON LA TUFF

ST. PAUL, MINN. — The Post Office Department, this city, is seeking all information it can get regarding Jack La Tuff. It will be remembered that this party phoned many coinmen advising them that he had equipment to sell, and would ship upon receipt of a deposit. Many sent La Tuff money, and never received the merchandise, and upon investigation, he couldn't be located. The Cash Box assisted in locating La Tuff, and he was apprehended by the police.

The Post Office would like to have all the information possible to assist them on following thru on an indictment and prosecution. Address all your letters to Mr. A. Anderson, Inspector, Post Office Department, St. Paul 1, Minnesota.

LESS RECORDS NOW THAN EVER

MIAMI, FLA. — Melody Music Co., this city, its patience being exhausted, wrote the following letter to the record distributors in its territory. The letter was sent to the distributors of the leading record manufacturers.

"It was our contention that when the war will end, conditions will change so that it will be possible for us to receive more records than we have been getting. For the past year, ninety to ninety-five percent of our records have been bought from retail stores, and we attributed the fact that we had to do so to war conditions.

Since the war is over, conditions have become worse instead of improving, and it is needless for us to tell you when we received our last order from you. You merely have to check your records or refer to your branch office to find out how many records we have received in the past year, month or week. It boils down to the same question — "How come that the stores can always supply us with any amount of records that we need, and there are constantly new stores opening up and they get a stock of records and we can't get them?" We shall continue to write your office each week until conditions improve and we get a fair share of records.

We regret very much that it is necessary for us to take these steps in order to stay in business."

ALOAC URGES TAX REDUCTION

LOS ANGELES, CALIF. — Following up on the wire sent a few weeks ago to the House Ways and Means Committee in Washington, Samuel (Curley) Robinson, acting for the Associated Operators of Los Angeles County, wired Senator Walter F. George, Chairman of the Senate Finance Committee, urging relief from the present tax legislation.

The message sent to Senator George reads: "At the time of passage of war time revenue measures a tax of $100. was placed on merchants operating gaming devices and $10. on amusement devices. Ever since that time the Internal Revenue Department has interpreted this act in such a manner that the $100. tax applied to pin ball games operated in a certain manner, whereas we believe that Congress did not intend to include pin ball games in the same category for tax purposes as gaming devices. Now that the House of Representatives has recommended some tax relief in every other field of taxation, it seems only fair that merchants operating pin ball machines be taken out of the category of gaming devices, and placed in a definite category with amusement games. Unless some relief is afforded, hundreds of thousands of merchants thruout the nation will still have to bear this tax while all other forms of war time tax revenues have been recommended reduced by the House of Representatives. We appeal to you as Chairman of the Senate Finance Committee to give us the same consideration as others are receiving by way of tax reduction."

PHONO RECORDS — 1933 and 1945

NEW YORK — At the 8th Annual Banquet of the Automatic Music Operators Assn. held Oct. 20 at the Waldorf, Babe Kaufman and Sam Rabinowitz related an incident to Herb Allen, Field Sales Manager for RCA Victor, whom they hadn't seen since the days when he was Sales Manager for the old Brunswick Record Company.

When Babe and Sam bought the first Wurlitzer phonos brought into New York City in 1933, their immediate problem was to get records. They went up to see Brunswick. The only person there was an old man about 90 years old. The old guy listened to them, and pointing to a few records lying on practically empty shelves, piped up in a trembling voice, "Here's all the records we have. You'd better take all you want now, because we're going out of business."

Babe and Sam get quite a kick out of this experience now, but at that time they were plenty worried. As Babe says "We'd just gone into a new business. We had a hundred machines to place, and here was this old codger telling that the record company was going out of business."

Plenty of water has passed under the bridge since, but the phono operators still have the problem of getting records. The only difference is that the recording companies aren't worried about going broke — they're all trying to get more pressing plants.

REDD BUYS BUILDING IN BUFFALO

BUFFALO, N. Y. — Si Redd, of the Redd Distributing Co., this city, remained in town long enough to purchase a building at 881 Main St. As soon as alterations are completed the company will move to the new location. The building has two floors and a basement. Space runs 60 feet wide and extends 200 feet between Main and Washington. According to Vincent McCabe, Manager of the Buffalo office, the opening has been set tentatively for Mid-December, when Wurlitzer products are expected to be rolling off the assembly lines.

Anticipating the rush of business, Redd has increased the staff, and Robert H. Bear has been assigned the position of traveling sales superintendent. Bear is a native of Titusville, Pa. and for the past several years was employed at the Rudolph Wurlitzer Co. Bob is the father of 3 little "Bears" —all girls. Frank Voltmann is the new Service Manager. Voltmann is a native Buffalonian. Art Ott (Silent Art) continues as a serviceman.

LOSES LOCATION TO OWNER

WINCHESTER, VA. — The evils of direct to location sales reared its ugly head and a long established operator lost another location. M. T. Duff, of this city, sends a post-card he received from a location in Rippon, W. Va., which reads:

"I have bought a Victrola. Please move your machine, as I need the space to set mine in."

MRS. GRACE FLEMING,
Sanitary Luncheon

Joe Elfant, president of the Summit County Automatic Music Operators Assn. of Akron, O. recently inaugurated a plan to help solve this condition in his territory. (See story in The Cash Box, Oct. 15 issue). Duff should investigate and find out where his location got the machine. Perhaps the operators in his territory can work out a similar plan.

B & B OPEN NEW BUILDING

LOUISVILLE, KY. — Robert J. Berman and Bernard S. Berman of B & B Novelty Company, have just opened a gorgeous new big four story building at 1715-17 W. Main St. in this city. This is the first step in the post-war plans of the Berman boys, as they intend to distribute machines for some of the largest manufacturers.

Bob and Bernie have just completed a trip to the mid-west, ending up in Chicago, and when they return to Louisville, will have some important announcements to make.

LaMASKIN & TIGERMAN BUY K. C.

CHICAGO — Frank LaMaskin and Al Tigerman, two well known coinmen here, announced that they have purchased the K.C. Vending Co. located at 2252 West Chicago Ave.

Plans are being formulated for the expansion of their service to the trade and as soon as everything is ready, an announcement will be made.

LaMaskin and Tigerman have had many years of experience in the business, having been in one phase or another since the early days.

AMERICAN DISTRIBS FOR AIREON

DALLAS, TEX. — Earl Reynolds and Porter Harrison of American Distributing Co., this city, announce that they have become the distributors for the phonographs and remote systems of Aireon Manufacturing Corp.

Reynolds and Harrison, who have been making some calls at the manufacturers in the mid-west and Chicago, returned very exicted over what they hold for their future as distributors. In addition to the Aireon phonos, the boys expect to make some other surprising announcements in the very near future.

FREER JOINS EMPIRE COIN

CHICAGO — Howard Freer, known to the trade as "Howie" has become associated with the Empire Coin Machine Exchange. Howie recently was discharged from the army, and had a record of nine months overseas service. During the time he spent in service, Freer kept up an active correspondence with his friends in the business, and now expects to be in a position to render these coinmen the best service imaginable.

Gil Kitt, head of Empire Coin, is tickled pink because with Freer taking over many of the duties, it will leave him free to constructively build up his organization.

MARCUS SUGGESTS A "LANDIS"

CLEVELAND, O. — Meyer Marcus of The Markepp Co., this city, writes "In reading The Cash Box this week I want to comment on the story "Bitten By Deposit Grabbers, Wants Czar", and it struck me because I wrote an article in 1934 with the headline "Our Industry Needs a Landis". I am enclosing a photostatic copy.

In this article written 12 years ago, Marcus suggested that there was a need for a "top" man to supervise the many legal and public relations jobs necessary. "You will notice that in 1934" writes Meyer "I recommended that an office be set up and a tax of 25c to 50c per machine manufactured would be sufficient to maintain a legal staff with competent attorneys and public relations department. I am sure that there isn't an operator in the country who wouldn't welcome the additional 'fee' on their equipment if they would be contributing to the welfare of their livelihood".

"Let me hear from you" concludes Marcus "as to what you think of starting this thing all over again. Do you think that the operators and jobbers are ready for it? They weren't in 1934. The need is greater today than ever before".

REX BUYS OUT HENRY SEIDEN

ALBANY, N. Y. — Ray F. Daggett, manager of the Rex Amusement Co., Syracuse, N. Y. announces that his company has bought out Henry Seiden of Albany, N. Y. Bob Lawrence is in charge of their new office.

John Chrest, Exhibit Supply, has now completely recovered from his recent seige of pneumonia, and is expected back in his office the latter part of October.

THRU THE COIN CHUTE

EASTERN FLASHES

The Eighth Annual Banquet of the Automatic Music Operators Assn., held Saturday (October 20), at the Starlight Room of the Waldorf-Astoria, was like old times. Many who didn't attend during the war period were present, and the room was crowded to capacity. Many who were late in their requests for tickets had to be refused. Al Denver, president, and Barney Schlang, Manager, presented the music machine people with a night that will long be remembered.

With the imminence of new machines, the distributors once again were very much in evidence . . . Emby Distributing Co. (Eddie Smith, Meyer Lansky and Bill Bye) supplied a bottle of liquor on every table; so did Atlantic Distributing Co.; (Harry Rosen, Meyer Parkoff, and Bert Lane); Runyon Sales Co. (Barney Sugerman and Abe Green) had a pack of cigarettes placed for every guest, and a box of cigars on each table; and East Coast Sales & Distributing Co. (Dave Stern, Harry Pearl, Tom Burke, and Everett Masterson) created a stir by raffling off a Rock-Ola home bar . . . The bar was won by Abraham Block of Melody Music Co.

DeWitt (Doc) Eaton, general sales manager for A.M.I. probably had the best time of anyone. Mixing among this large crowd of old friends, Doc was able to call practically everyone there by his first name, and vice-versa. Eaton will remain in the city for about a week . . . Babe Kaufman and Sam Rabinowitz attended their first party since the war. Babe claimed she didn't feel up to partying with her boys in service, and Sam was overseas with the armed forces. Norman, Babe's handsome young son was along, and had some hair-raising experiences to relate. An officer in the Merchant Marine, Norman was torpedoed out twice, the last two weeks prior to V-J day, and was afloat 12 days before being rescued. Kaufman's other son, Bill, still in Japan.

Max Leshnick, Baltimore Musical Sales, Baltimore, mixes with many of his old friends. Max trying to get a location in Richmond, Va. to display his phonos . . . Mike Munves and brother Joe, in dress clothes no less, attend this party for the first time, and had such a good time they'll probably never miss any more . . . Dave Friedman flies in from Schenectady, and watches the entertainment seated at a table with his old pals, Willie Levy, Teddy Blatt, Jerry Karpman and George Holzman . . . Eddie "Corky" Correston, Palisades Specialties, Cliffside Park, N. J. comes over to see his many friends . . . The three Engleman boys show up, the first time since the war began that all three get together for a party. Gil and Sam (who expects to be discharged from the Coast Guard in a few weeks) will team up, and Charlie will handle his route alone.

Nat Cohn and Earl Winters, Modern Music Sales Corp. accepting congratulations on their new partnership. During the show, one of the performers recognizes Earl as his recent CO and Earl has to take a bow . . . All the recording companies well represented, and supply some top name acts as part of the show . . . Mike Munves and Barney (Shugy) Sugerman seen in a very serious conference . . . Harry Pearl, former professional Master of Ceremonies, listens to the Andrews Sisters sing "Rum and Coca-Cola", and writes a parody "Rum and Rock-Ola" . . . Leo Knebel bragging about his new addition, a boy, born September 29 . . . Al Blendow, International Mutoscope, beaming because Al, Jr., after serving 6½ years in the Navy, being released in 2 weeks. Al, Jr. will enter the coin biz.

Al (King Al of Harlem) Bloom, Jack Rubin and Sid (Attorney) Levine, the hard working, behind the-scene promotors of the acts and talent for the show, lean back and relax for the evening . . . Everyone missed the former pres. Lee Rubinow . . . Charley Aronson and Bill Alberg, Brooklyn Amusement Co., seen talking things over with their old friend, Mac Leshnick from Baltimore . . . Lillian Schonberger running a record store in Brooklyn . . . "Senator" Al Bodkin, naturally, sports the flashiest tie in the hall . . . When Eddie Smith (Emby) sat down at the table with Bill Alberg, Charlie Aronson, and Eddie Ellis, the "Washwomen's Luncheon Club" almost had a full attendance . . . Barney Atkins of Jonesville, La. seen in town . . . Fletcher Blalock, F.A.B. Distributing Co. constantly hustling to catch this or that plane between points in his territory. Zay "Junior" Hill, who loves to tinker with the inside of a phono, itching to get back on this side of the Big Drink . . . The colored photos of Wurltizer's new model 1015 phono and chandelier speakers are getting more low whistles than a curvacious blonde . . . THRU THE COIN CHUTE

LOS ANGELES

Local ops here welcomed a new face this week to their midst. He is Jimmy Scherer, formerly an extensive buyer and seller in restaurants. Jimmy was in to see Bill Wolf of California Amusement Co., where he bought ten of their Singing Towers. He will set up his biz in Compton and is in the market for more machines . . . Bill Happel saw Art Daws, the San Diego operator, at the El Rancho Vegas, at Las Vegas this past week, and Art was talking big talk about the new 1946 Cadillac he drove back from Detroit. All of which set Bill to wondering why he couldn't line up one of the shiny new vehicles and drive it home when he goes East this week. Eleanor Ryan's first job when she got back from her vacash was getting Bill his reservations, while Bill was busy selling a bunch of equipment to Fernando Rodriguez, who was in from Mexico City.

Office staff of K and M busy filling in the orders rolling in the wake of L. E. Kelley, now on that "record selling trip" to northern California . . . Harold C. Yorgason, who left the operating biz to go into the record dealing and manufacturing business, died suddenly last Thursday of a heart attack. His place was the Manual Arts Record Shop on South Vermont, and was in the record pressing business with Herbert G. Allen. "Yorgy" was a native of Utah and was only 39 years old . . . I. B. Gayer bought three new Las Vegas machines being made at Jimmy Rutter's shop. Jimmy has a new secretary — his daughter, Ernestine, who celebrated going to work for her dad by having an 18th birthday.

One of the most popular local western recording ensembles is Douglas Venable and his Bar-X-Ranch boys, who have been as busy as a turntable turning out new releases since they got back from a tour thru nine southern states. Doug is just releasing his "National Lament" a song dedicated to the late President Roosevelt . . . Larry Barden has prevailed on Bill Leuenhagen to forget business for a while and take a trip up to the northern part of the state to do some fishing. Bill got that extra telephone and extension before he left, so his staff won't get lonely while he's gone . . . Harry Williams of Williams Manufacturing Co., Chicago is moving into 2309-11 West Pico Blvd., which means that Milo J. Herring and Gossetts, both machine decorating and reconditioning shops, are looking for new quarters.

Where was Charlie Robinson heading for with those two bottles of Shasta water just before quitting time Monday? . . . Billy and Blackwell, vocal duo for Venable are back from the east and busy recording for Western Record Co. . . . Nels Nelson was so anxious to get started servicing in his new West Pico Bld. place that he only waited long enough for the carpenters to nail up a bench. Machines coming in for service so fast, the remodeling crew is being pushed out into the street . . . Operators say collections down in the Los Angeles area . . . One of the interesting new gadgets developed by the war industry is a fluorescent portable service light being handled by Paul Laymon for the California territory. New sales department man at Laymon's is E. S. Wilkes, who managed operations for the Rainbow Skill Games for 8 years in Long Beach before working for the A.T.S. during wartime.

Walker McDow is back on his servicing job after serving with the army in Burma. Mac says he saw lots of equipment in the Burma region, but they were all of the antiquated variety . . . Al Sleight of Bally Manufacturing Co., Chicago, in town with pictures of their new One-Ball . . . Other out-of-towners seen along coin row: E. L. Needham of Yuma, Ariz.; and Fred Allen of Bakersfield, Calif. . . . F. P. Carter (Nikabob) flew east last week to visit all the coin centers. He'll be back in ten days . . . Claude Sharpensteen, Jr. who is just out of the army, and in town visiting from Bisbee, Ariz.

Stanley Turner of Clark Distributing Co., has resumed his instruction classes in remote control, now the war is over. He's teaching lots of ex-servicemen the intricate details. Stan used to be chief instructor in this territory for Wurlitzer . . . Bill Schetter, of Clark, is in San Francisco, conferring with Don Clark of the main office up there . . . E. T. Mape organization busy as a hive since Ed got back from his trip east . . . Fred Gaunt, of General Music, reports biz is holding up on all their routes . . . Gene Crowley, service man for Jack Gutshall, in to see his old boss, after three years in the navy . . . Paul and Mrs. Laymon were hosts last week at a farewell party to Capt. THRU THE COIN CHUTE

DALLAS

One of the very nicest boys in town—Herb Rippa of Blue Bonnet Music Co., who has been trying his best to help keep the music ops getting records. Herb just threw a party to celebrate the opening of his new offices, which still has all the coinmen talking. And that Maryana Jones over at Herb's spot knows those records just like that . . . Porter Harrison still mad at Sam Ayo because Sam wouldn't give up Madisonville Tex. and grabbed Beaumont while Porter wasn't looking. And sorrowing with Porter in his grief were Audrey and Earl Reynolds of American Dist. Co. . . . George Wrenn out celebrating the fact that he is just become a daddy of a baby girl this past week.

Collis Irby, Walbox Sales Co. away from his offices this past week acting as a pall bearer . . . C. E. Wamble over at Walbox is a familiar figure to Texas ops . . . Bill Thompson, who owns that "ulcer clinic" over in Wichita Falls along with one of the choicest operations in the state seen in town this past week, and buying a record player of all things . . . W. H. (Bill) Milam of Ace Coin Machine Co. telling about the old days away back in the music biz, when pianos were all that was known. The beautiful quarters Bill has over at Aceare is something to see . . . Harry Turner demonstrating the Pre-Flight Trainer and so good at it that he can give his sales talk while making all the spins and turns.

Si Lynch at the Variety Club with Herb Rippa and the charming Mrs. Rippa . . . and at the Century Room of the Adolphus on the same evening; Mr. and Mrs. Russell Burns; Mr. and Mrs. Earl E. Reynolds; Mr. and Mrs. Porter Harrison; Mr. and Mrs. Herb Rippa, all at one big ringside table ejoying the new ice show . . . Jack Rose, the cig. machine man, dining quietly and alone at the Dallas Athletic Club . . . Arthur Hughes of S. H. Lynch Co. on his way to Oklahoma City to open new offices for the firm there. And with Ed Furlow in New York, Si Lynch is left all alone doing the selling of these Para-troop Motor Bikes brought over from England.

Harry Drollinger talking about various things concerning the music biz and much interested in the new Bally phono along with a wall box improvement which Harry has invented . . . Frank Emerson of Greenville reports that the house he has been looking for is almost bought now . . . Bob Hunter showing off how he is improving that building of his with showrooms and sleeping quarters at the same time . . . Morrie Gottlieb of National Sales and Distributing tells the boys that he may soon have a surprise announcement to make to the trade . . . Fred Barber (one of the real swell guys) and Frank Stevenson of General Distributing Co. working hard to remodel their showrooms and offices while George Prock is still in the Army. But the boys are hoping that George will soon be coming out and get back into sales action again . . . Sam Yaras' Southwest Amusement Co. getting ready for a large expansion program with Mrs. Yaras doing the planning and doing a mighty fine job of it.

MINNEAPOLIS

Minneapolis is slightly football mad, particularly that their team "Minnesota" is back in championship stride. Many coinmen arrive to watch the Gophers tangle with the other colleges, and at the same time take the opportunity to visit around . . . Mr. and Mrs. C. W. Collins of Morris, Minn. take in the Minnesota-Northwestern game and do they really celebrate. They had just received the good news that their son arrived in San Francisco, after three years with the Army, and is expected home very shortly . . . Snooks Harrison received his discharge last week after a spell of three years, eight months in the Navy. Snooks is back on the job with Howard Sales.

Herman Paster, Mayflower Dist. Co., finishes up with the World Series—and now becomes a football fan par excellence. With Minnesota going so well, his four pockets are probably full. Irv Sandler of the Des Moines office, without a strong team to cheer about, tells stories in dialect instead . . . Leonard Segal has made a new connection and joins up with Iz Alpert's Twin Port Sales Co., of Duluth . . . Frank Sirianni of Cumberland, Wis. came to town over the week-end to see the ball game. Frank is the brother of the former gridiron great, Julie Alfonse. Sirianni not only operates a route of music and other equipment, but is also in the bottling biz. . . . Nunzi Williams of Nashwauk, Minn. in town for his annual visit.

C. M. I. BLUE BOOK

The "Coin Machine Industry Blue Book" for new and used coin operated equipment is issued every week. It is a review and digest of all selling prices based upon the market quotations for the week. *Copyrighted 1945 by The Cash Box, 381 Fourth Avenue, New York 16, N. Y.*

FOREWORD

Many times, wide differences appear in the high and low prices of certain equipment. Like any true reporter The C.M.I. Blue Book can only feature the market prices as they are quoted. The C.M.I. Blue Book acts exactly the same as the market quotation board at the Stock Exchange—posting the prices exactly as they are quoted for the past week, regardless of how much they may seem to be out of line. Some machine prices do not change for months. The C.M.I. Blue Book, rather than show no price, retains the last known quotations for such equipment so that the subscriber at least has the last known quoted prices as a basis to work with. Prices continue to be very widely divergent these days. Someone on the West Coast may feel a certain machine worth $150.00 whereas someone on the East Coast may think it worth but $75.00. Of course, condition, serial, appearance, demand, territory, quantity, etc., must all be taken into consideration. The C.M.I. Blue Book reports each quotation exactly as it is made and depend on the subscriber to make average price adjustment to fit the peculiarities of his own territory.

METHOD

The C.M.I. Blue Book is to be read as follows: First price listed is lowest price for the week; Second price listed is highest price for the past week. Where only one price appears this should be considered lowest price.

CODE

CHECK THIS CODE CAREFULLY. BECOME ACQUAINTED WITH EACH ONE OF THE CODE NUMBERS AND WHAT THEY SIGNIFY. THESE CODE NUMBERS APPEAR IN FRONT OF THE NAME OF EACH MACHINE.

1. MEANS PRICE WENT UP.

2. MEANS PRICE WENT DOWN.

3. MEANS MACHINE JUST ADDED TO LIST.

4. MEANS PRICES WENT UP AND DOWN DURING THE PAST WEEK

5. MEANS PRICES REMAINED SAME AS IN LAST PRICE LISTS.

6. MEANS NO PRICES QUOTED FOR PAST TWO WEEKS

7. MEANS NO PRICES QUOTED FOR PAST THREE WEEKS

XX — MEANS NO PRICES QUOTED FOR MANY WEEKS—PRICE SHOWN IS LAST KNOWN QUOTATION.

IMPORTANT

Machines underlined mean these were most active in trading the past week.

Look To The GENERAL For LEADERSHIP

IT'S THE "PLUS" THAT COUNTS

Operators know they can expect equipment of A-1 dependability from the GENERAL. But they know, too, that the right equipment is only part of the GENERAL'S operations. Coupled with it, is the enthusiasm and aggressiveness of an organization alert to the problems that an operator encounters from day to day. This is where the GENERAL renders a priceless service . . . a keen desire to be of assistance far beyond the point of making a sale.
